Courage and EnCourage are spiritual support groups.

Courage was founded in 1980 to help those with same-sex attractions (SSA)
live chaste lives in accordance with Catholic Church teaching.

EnCourage was founded in 1987 as the affiliate support group for family members,
spouses, and friends of those with same-sex attractions.

The three pillars of Courage and EnCourage

1. A support group system based on the respective goals of Courage and EnCourage;
2. Good fellowship within a growing sense of community;
3. The development of authentic and solid Catholic spirituality.

***Be strong and of good courage; be not frightened, neither be dismayed;
for the Lord your God is with you wherever you go. Joshua 1:9***
