Firmly grounded in the Catholic faith,
Grieving with Great Hope

is a five-week grief workshop/support group for adults who have experienced the death of a spouse, child, parent, sibling, grandchild, friend or other loved one.

~ There are no stages to grief ~

Everyone experiences loss in their own unique way. It is through prayerful reflection, practical learning and personal fellowship that we mourn. And in mourning, we begin to build our bridge to a new and different life.
