

Parents,

Are you concerned when you can't find a modest outfit for your ten-year-old daughter or your inquisitive eight-year-old brings up sexual questions after seeing a TV commercial or something on TV or at the movies?

Holy Trinity Parish, Hartington, NE is offering a program to help!

LoveEd IF WE WANT TO **PREPARE KIDS FOR TOMORROW**, WE NEED TO BEGIN TODAY

LoveEd is designed to equip, guide, and educate parents to talk more comfortably and effectively with their children about life, love, and sexuality. It will help parents have those discussions with their children on sensitive topics at important times in their life. It helps children develop into strong, smart, and pure individuals.
