THE RESULT? TEENS THAT ARE STRONG, SMART & PURE.

In a society that promotes cheap, fleeting relationships at ever younger ages, it has never been more important to promote the true meaning of love, sexuality and intimacy — a meaning that far surpasses anything the world offers.

LoveEd is a brand new program that helps empower parents to teach both the theology and science of human sexuality within the context of God's plan for love and life. **Registration deadline: February 27, 2018**
