A special thank you to the Golf Committee for helping to fund LoveEd

LoveEd is a brand new program through the Archdiocese of Omaha that helps empower parents to teach both the theology and science of human sexuality within the context of God's plan for love and life.

LoveEd is a parent-guided, age-appropriate, gender-specific program that teaches children about God's plan for life, love, sexuality, and purity. It equips parents to have positive, life-changing conversations with their children. It facilitates these conversations at two important life transitions: as they enter puberty (**Level I - grade 5 or 6**) and just before they begin high school (**Level II - grade 7 or 8**).
